

8th EPOS BAT Instructional Course

Vienna, Austria: 20-22 November 2024

Trilogy Course Part II - Paediatric Trauma Course

Highlights

- Principles of Fractures in Children
- Upper Extremity Fractures
- Lower Extremity Fractures
- Basic Spine & Sports Injuries
- Specific Trauma Conditions

Methods of learning

- Theoretical Lectures
- Controversial Issues
- Techniques in Paediatric Orthopaedics
- Case Discussions
- Workshops

Welcome

Catharina Chiari

Sebastian Farr

Carol-C. Hasler

Dear Colleagues,

It is a pleasure to invite you to the 8th EPOS BAT Instructional Course Trilogy, an integral part of the EPOS Educational Programme. The EPOS Educational Committee has set up the "BAT (Basic, Advanced & Traumatology) Educational Programme". The programme meets the requirements set by the European Federation of National Associations of Orthopaedics and Traumatology (EFORT) and European Board of Orthopaedics and Traumatology (EBOT). Three consecutive educational events including two basic and one trauma courses cover the core curriculum education in Children's Orthopaedics. 25 courses were held between May 2011 and March 2024 and 533 physicians from 58 countries completed the core curriculum education in Children's Orthopaedics by attending three consecutive courses.

The course is aimed at residents who want to improve their knowledge in Children's Orthopaedics and also general Orthopaedic Surgeons, particularly young ones, who want to refresh their knowledge. The scientific

Educational Programme in Childrens Orthopaedics

content should encourage a greater understanding of Children's Orthopaedics via a problem-solving approach to the diagnosis and management of orthopaedic conditions in children informed by relevant research evidence. Teaching faculties are composed of internationally recognized experts in Children's Orthopaedics from all over Europe.

The second part of the BAT course trilogy is the "Trauma Course" and includes theoretical lectures, debates, techniques in paediatric orthopaedics, case discussions and workshops concerning characteristics, assessment and treatment principles of fractures, treatment of specific trauma conditions, upper and lower extremity fractures and sports injuries in children.

Treatment innovations are often a result of collaboration between clinicians and industry and we acknowledge and appreciate that our industry partners contribute significantly to the educational content of these courses.

We invite orthopaedic surgeons and residents to the Orthopaedic Hospital Speising in Vienna in November 2024.

We will do our utmost to meet and exceed your expectations.

Yours,

Catharina Chiari

Program

Wednesday 20 November

Tuesday 19 November
at Orthopaedic Hospital Speising

16:00-18:00 Registration (Optional)

Schedule	Topic	Faculty
07:00	Registration	
07:50	Opening and welcome	S. Farr C. Chiari

Basics of Fracture Care in Children

Moderator: M. De Pellegrin

08:00	Fracture biology and healing	H. Ömeroglu
08:10	Why fractures in children differ from those in adults?	W. Nijhuis
08:25	Classification of fractures in children	M. De Pellegrin
08:35	Imaging modalities for pediatric fractures – what is necessary and when?	C. Alves
08:45	Discussion	

Treatment Principles and Specifics of Pediatric Fractures

Moderator: G. Trisolino

09:00	General principles of fracture treatment in children	I. Sanpera
09:20	<i>Techniques in Paediatric Orthopaedics: Casting for children's fractures</i>	N. Lutz
09:30	Treatment principles of physeal fractures and their sequelae	W. Nijhuis
09:50	Treatment principles of open fractures	Y. Nietosvaara
10:00	Discussion	
10:15	Coffee Break	

Treatment of Specific Trauma Conditions

Moderator: C. Alves

10:40	Pathologic Fractures	C. Hasler
10:55	Neurovascular and soft tissue injuries – what to do?	N. Lutz
11:10	Compartment syndrome	F. Canavese
11:20	Nonaccidental trauma	G. Trisolino
11:30	Discussion	
11:45	Industry-Sponsored Workshop Rotation System 1	
12:45	Lunch Break	

Program

Wednesday 20 November

Schedule Topic

Faculty

Shoulder and Upper Arm

Moderator: N. Lutz

13:45	Clavicle fractures and AC/SC dislocations	M. Witbreuk
14:00	Humerus proximal fractures	F. Canavese
14:10	Humerus shaft fractures	C. Hasler
14:20	<i>Techniques in Paediatric Orthopaedics</i> : FIN of humerus shaft fractures	C. Alves
14:30	Discussion	

Elbow-1

Moderator: F. Canavese

14:50	Humerus supracondylar fractures – Basics and treatment principles	I. Sanpera
15:10	<i>Controversies in Paediatric Orthopaedics</i> : Medial-lateral cross pinning is better	D. Farrington
15:15	<i>Controversies in Paediatric Orthopaedics</i> : All lateral pinning is better	H. Ömeroglu
15:20	Humerus supracondylar fractures – management of complications	Y. Nietosvaara
15:30	Discussion	
15:45	Coffee Break	

16:15 **Industry-Sponsored Workshop Rotation System 2**

Elbow-2

Moderator: W. Nijhuis

17:15	Humerus medial epicondyle fractures & elbow dislocation	Y. Nietosvaara
17:30	Humerus lateral condyle fractures	C. Alves
17:40	Radial head/neck fractures and nursemaid's elbow	F. Canavese
17:50	Acute Monteggia fractures	I. Sanpera
18:00	Discussion	
18:30	End of the Day	
19:30	Course dinner	

Program

Thursday 21 November

Schedule	Topic	Faculty
08:00	Expert Lecture: "Important Treatment Principles in Pediatric Trauma: What I have learned over the decades"	T. Slongo

Forearm, Wrist and Hand

Moderator: M. Witbreuk

08:45	Forearm shaft fractures	Y. Nietosvaara
09:00	Distal forearm fractures	C. Alves
09:20	Controversial Issue: Completely displaced metaphyseal fractures in older children - Casting first	M. Witbreuk
09:25	Controversial Issue: Completely displaced metaphyseal fractures in older children - Pinning first	D. Farrington
09:30	Hand fractures (metacarpal/phalanges/scaphoid)	N. Lutz
09:45	Discussion	
10:15	Coffee Break	
10:45	Industry-Sponsored Workshop Rotation System 3	

Pelvis, Hip and Thigh

Moderator: H. Ömeroglu

11:45	Pelvic and acetabular fractures	M. Witbreuk
11:55	Femur proximal fractures	H. Ömeroglu
12:10	Femur shaft fractures	F. Accadbled
12:25	Controversial Issue: Femur shaft fractures around 5 years of age – Early spica cast first	H. Ömeroglu
12:30	Controversial Issue: Femur shaft fractures around 5 years of age – FIN first	M. De Pellegrin
12:35	Distal femur fractures	M. De Pellegrin
12:45	Discussion	
13:00	Lunch Break	
14:00	Industry-Sponsored Workshop Rotation System 4	
15:00	Case Presentations by the Participants (Upper Limb Trauma)	Y. Nietosvaara

Program

Thursday 21 November

Schedule Topic

Faculty

Leg, Ankle and Foot

Moderator: I. Sanpera

15:30	Tibia proximal and eminentia fractures	W. Nijhuis
15:40	Tibia shaft fractures	I. Sanpera
15:50	Ankle fractures	F. Canavese
16:00	Foot fractures	G. Trisolino
16:10	Discussion	
16:30	Coffee Break	
17:00	Case Presentations by the Participants (Lower Limb Trauma)	D. Farrington
18:00	End of the Day	

Program

Friday 22 November

Schedule	Topic	Faculty
----------	-------	---------

Basic Spine injuries

Moderator: C. Hasler

08:30	Cervical spine injuries	D. Farrington
08:45	Thoraco-lumbar fractures and SCIWORA	C. Hasler
09:00	Concussion	M. Turati
09:10	Discussion	

Sports Injuries-1

Moderator: F. Accadbled

09:20	Epidemiology and prevention of sports injuries in children	N. Lutz
09:30	Common overuse injuries (upper limb) in children	M. Witbreuk
09:40	Common overuse injuries (lower limb) in children	M. Turati
09:50	Discussion	

10:00	Coffee Break (including course picture)	
-------	---	--

10:45	Industry-Sponsored Workshop Rotation System 5	
-------	---	--

Sports Injuries-2

Moderator: M. Turati

11:45	Meniscus injuries and discoid meniscus	F. Accadbled
12:00	Ligamentous injuries of the knee and ankle	M. Turati
12:15	Osteochondritis dissecans (knee/ankle)	F. Accadbled
12:30	Patellofemoral instabilities	F. Accadbled
12:45	Discussion	

13:00	Trilogy Diplomas & Closing Remarks	S. Farr, C. Hasler
-------	------------------------------------	--------------------

14:00	End of the course	
-------	-------------------	--

Information

General information

- The programme is subject to last-minute changes.
- The number of participants is limited to 150. Registration process will be handled in first-come, first-served" rule.
- All registered participants are encouraged to bring their original cases for presentation in the recommended format.
- Please note that attendees are responsible for making their own travel and accommodation arrangements.

Future Courses & Events

EPOS BAT ADVANCED CADAVER LAB COURSE

3rd Edition, on paediatrics sports medicine and arthroscopy

Geneva, Switzerland | 23-24 January 2025

8th EPOS BAT INSTRUCTIONAL COURSE TRILOGY

EPOS BAT Advanced Course Part III

Orthopaedic Hospital Speising Vienna, Austria | 12-14 March 2025

EPOS 2025 – 43rd Annual Meeting

Toulouse, France | 02-04 April 2025

Hip Surgery from Infancy to Adulthood

Hospital Universitari Son Espases, Palma, Spain | May/June 2025 (TBC)
