

A great innovation for Worldlab & Euromedlab Congresses

EFLM Continuing Professional Education Credit System - CPECS®

25th International Congress of Clinical Chemistry and Laboratory Medicine (IFCC) WorldLab and 25th European Congress of Clinical Chemistry and Laboratory Medicine (EFLM) EuroMedLab and 55th Annual Congress of the Italian Society of Clinical Biochemistry and Clinical Molecular Biology (SIBioC) are accredited by the EFLM CPECS® to provide the following CPD activity for participants.

EFLM CPECS® is an administrative system that provides a quality assurance mechanism for the accreditation of continuing education programs and events offered based on high-quality continuing education content in laboratory medicine and relevant scientific topics.

*The CPECS® Continuing Professional Education Credit System is a unique acronym for laboratory medicine and an EFLM trademark registered by the European Union Intellectual Property Office (EUIPO) for professional recognition of continuing education.

A maximum of 19,5 CPECS® credits can be awarded for the scientific sessions of the 25th IFCC-EFLM EuroMedLab Congress. Each participant should receive credit only for the hours corresponding to the extent of his/her participation in the scientific part. Information on CPECS® credits per session can be found in the scientific program and the mobile app, which will be available for download during the congress.
